

Private Swim Lessons

DATE: _____

Private swim lessons offer one-on-one training for more personalized swim instruction. Benefits include flexible scheduling with the instructor, personalized instructions to work on specific skills, and more time in the water. Instructors are assigned based on scheduling and personal goals, and are assigned after the participant paid and turned in a completed registration form. **Sessions may be broken up into 30 minutes or 1 hour.**

All sessions missed without 24 hours' notice will be considered a session used. All participants must contact his/her assigned private lesson instructor at least 24 hours in advance for cancellation.

You have paid for the following hours of **Private Lessons** as indicated below. All packages will be honored for 6 months from date of purchase. Any uncompleted sessions will be forfeited after 6 months of payment.
