GETTING BETTER EVERY DAY

Every day, the Anderson Y gives our community the support it needs to learn, grow and thrive. From afterschool care to aquatics, football to pickle ball, disease prevention to day camp, everything we do helps strengthen our community and enhance the lives of the people who live and work here.

But we need your help to do this important work.

Keeping up with changing community needs is a full-time job. Every day, children, adults and families face new challenges that create a greater need for the work we do. Your gift can help provide financial assistance to those who need us most and ensure our doors remain open to all. With your support, the possibilities are endless.

For a better you. For a better community.
For a better country.

The Y.™ For a better us.™

When you donate to the Anderson Y, you make our community better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve under the guidance of caring adults who believe in their potential.

Healthy Living

We help young people, adults and families build and maintain healthy habits for spirit, mind and body in their everyday lives.

Social Responsibility

With our doors open to all, we bring together people of all ages, abilities and backgrounds. Our Annual Campaign provides financial support for those who need us the most. Our members, volunteers, donors and staff demonstrate the power of what we can achieve when we all work together to create a better us.
