Overview and Mission

Since 1949, the Anderson Area YMCA has been at the heart of Anderson, SC and its surrounding communities. Dedicated to nurturing the healthy development of children and teens, supporting families, and strengthening communities, the Anderson Area YMCA helps youth and adults develop a set of positive values, morals, and ethics in following with the YMCA's core values: Honesty, Respect, Responsibility, Caring and Faith. We teach these core values in all of our programs, and expect all staff and membership to model these values.

Volunteer-founded and volunteer led; collectively YMCA's are the largest not-for-profit community service organizations in the United States.
