- To add transactions for a different family member, begin by clicking the 'my family' navigation button.

[REGISTER](#)

After you select “Apply My Voucher(s)”, this screen should come up, showing you that the voucher has been applied. At the top right, you will see that the shopping cart shows you owe 0.00. If your voucher does not cover the amount of the program, it could show a balance due as well. Click register to proceed with the registration. If the program has collected all of the necessary information previously, it should show you’ve registered properly. Otherwise, it may take you to a screen that asks for a bit more information about your purchase. When properly completed, you should receive an emailed receipt.
