# CLASS DESCRIPTIONS

## AEROBIC/CARDIO

**ZUMBA-** All levels. Latin inspired dance fitness that incorporates Latin and international music with easy to learn dance steps.

**ZUMBA TONING-** All levels. Zumba Toning utilizes muscle toning and sculpting exercises and combines them with the dance-fitness movements and rhythms from Zumba for a fun, effective workout

**ZUMBA STEP-** A combination of the awesome toning and strengthening power of Step aerobics, with the fun fitness-party that only Zumba® brings to the dance-floor.

**POUND -** Pound is a full-body workout that combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising

**TRI-fecta -** Train like a Triathlete! This class combines rowing, biking, and running to increase conditioning and athletic performance.

**CARDIO DANCE -** Cardio dance is a fun and upbeat class to your favorite songs. You will catch on quickly to the easy to follow moves and will enjoy breaking a sweat in this class for all levels!

---

## STRENGTH AND SCULPTING

**RAISED BARRE-** All levels. Raised Barre is a fun, energetic and athletic program that incorporates elements of Pilates into a strengthening barre workout. Raised Barre stays true to the classic barre workout, and brings an energetic, athletic and completely pre-choreographed barre program that is easy to learn. Class is limited to 25 participants. Sign-up at front desk no earlier than 30 minutes prior

**GROUP PUMP-** All levels. Experience all the power of incorporating barbells, dumbbells, and other resistance tools in your strength training routine.

**STABILITY BALL BLAST-** All levels. A total Body and Core workout that incorporates cardio and strength segments on and off the ball. Improve your posture, core strength and overall endurance while blasting away your muffin top and toning your whole body!

**HARDCORE-** All levels. A workout for the entire torso, this 30 minute class focuses on toning and strengthening the body's core abdominal and back muscles.

---

## COMBINATION

**BODY BLAST-** All levels. A total body workout that incorporates cardio/interval segments alternating with strength training and core conditioning for a total body blast!

**EARLY BIRD-** A challenging workout for all you early risers. Come enjoy the instructor's choice of a cardio and strength training workout.

**JUST A MINUTE -** You can do anything for a minute! Complete every exercise for one minute. Strength endurance at its best!

**ANYTHING GOES-** All levels. A mixture of strength, plyometrics, and cardio. A total body conditioning!

**SWEATSHOP-** A challenging class that alternates intense cardio segments and strength training moves!

**TABATA-** A challenging, high intensity interval training workout. Tabata is excellent for increasing conditioning and muscle endurance. Each sequence is broken into 8 cycles of 20 seconds of work/10 seconds of rest. Non-stop action!

**BOOTCAMP-** this challenging class mixes traditional calisthenic and body weight exercises with interval training, sprints, agility work, and strength training for the ultimate workout.

**TorqueRX-** (Cycle/TRX Fusion) a unique combination of TRX suspension training and high-energy cycling. You'll build strength, gain flexibility, and get a heart-pumping (and fun) cycling workout, all in one class!

**STEP-LADDER-** this class uses the ladder method of ascending, descending, and wavering repetitions on and off the step allowing you to accomplish more than you ever thought possible. Step choreography is simple and fun. Strength equipment selection is endless!

**STRONG by Zumba®-** this class combines body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move.

**CARDIO, STRENGTH, CORE & MORE-** Increase your overall strength, endurance and flexibility with this cardio, strength and core class that utilizes a variety of equipment for all fitness levels.

---

## CYCLING

**INDURO CYCLING-** All levels. Induro Cycling has put a new spin on the indoor cycling workout by utilizing amazing virtual cycling videos from ALL OVER THE WORLD! Induro is a beat based, full body, theater enhanced, cycling experience led by an instructor with heart pumping music!

---

## MIND & BODY

**YOGA BASICS-** Learn the foundations of yoga practice and mechanic of postures. This class is suited for and welcoming to beginners, but also great for experienced yoga participants.

**SUPPORTED YOGA-** All levels. A gentle, supported form of Yoga without having to get down on the floor (working from a chair or standing position).

**BACK CARE BASICS YOGA-** All levels. This class focuses on using the breathe to guide you through poses which will stretch and strengthen your back and core.

**YOGA I-** All levels. Learn the basic moves of yoga performed in a slow and methodical manner. Great for beginners.

**WARM YOGA-** standard yoga moves performed in a room heated to 80 degrees (actually temperature will be higher due to body heat). Warm Flow is therapeutic while challenging ones muscular strength endurance, flexibility and balance.

**WARM POWER FLOW-** intermediate to advanced yoga moves with modifications, which are performed in a room heated to 80 degrees (actually temperature will be higher due to body heat). Warm Flow is therapeutic and provides an environment for a deeper practice while challenging one's muscular strength endurance, flexibility and balance

**YOGALATES-** All levels. Yoga and Pilates moves are integrated to create a blend of poses which will strengthen and lengthen the body.

**GENTLE YOGA-** All levels. Gentle yoga emphasizes relaxation with deep breathing in a quiet, soothing atmosphere.

**RESTORATIVE YOGA -** The main focus of Restorative Yoga is relaxing in poses with deep extra breaths. This class can achieve physical, mental and emotional relaxation as restorative yoga classes are very relaxing and slow paced. You will also hold poses for an extended period of time. This practice is great to balance an active yoga schedule or to give yourself a break when you feel under the weather.

---

## ACTIVE OLDER ADULTS

**FIT FOR LIFE-** A low intensity, low impact aerobic class perfect for the active older adult. Includes resistance training, balance, and flexibility.

**SILVERSNEAKER'S I-** For the active older adult, have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills.

**SILVERSNEAKER'S CIRCUIT-** For the active older adult, Cardio features 30 minutes of low impact, light cardio with strength training, balance, and stretching.

**OVEREASY LOW IMPACT-** OVERcome stiffness, tightness, imbalance, & two left feet with EASY low impact.

**OVEREASY STRETCH-** OVERcome aches, pains, moans, groans with EASY chair stretches. Works memory retention, balance, focus, concentration.

**OVEREASY POUND -** Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising. OVERcome stiffness, tightness, imbalance, & two left feet with EASY low impact

---

## YOUTH CLASSES

**HEALTHY KIDS -** 6-12 yr. olds. Introduce your kids to fitness fun through a high-energy class that will teach them the importance of physical activity.

**JR. HEALTHY KIDS -** 3-5 yr. olds. introduce your kids to fitness fun through a high-energy class that will teach them the importance of physical activity.
