Important Details – Please read!

Participants must be at least 12 years of age.

This class is considered a blended learning class. Participants must complete an online learning portion, which covers all the book learning and the written exam, prior to attending the seated class, which covers skills only. Email addresses are required to complete online learning.

Registration deadline is the Thursday one week prior to class start date, to give participants time to complete the online learnings.

Participants must attend the skills portion on the dates stated to receive their certification. If you are unable to make the class, please contact Madison Wesley. Make up dates may not be available, and will be scheduled at the instructor's availability.

Once a participant has begun the online learning portion, we can no longer refund the class fee.

***** Space is limited to 10 participants – check with the Front Desk for availability! *****
