

Swim Lessons – Fall 2022

Session Dates:

Classes are held on Tuesdays & Thursdays for the duration of the session. Each session is 8 lessons.

Fall 1: Aug. 9th—Sept. 1st

Registration Begins: July 29th
Late Fee Begins: Aug. 5th

Fall 2: Sept. 6th—Sept. 29th

Registration Begins: Aug. 12th
Late Fee Begins: Sept. 2nd

Fall 3: Oct. 4th—Oct. 27th

Registration Begins: Sept. 9th
Late Fee Begins: Sept. 30th

Session Times:

Swim Basics/Swim Strokes:

10:30a-11a(SB only) • 4p-4:30p • 5p-5:30p • 6-6:30p

Parent/Child:

6:00p-6:30p

Adult:

6:30p-7p

Fees:

Member- \$55.00

Non-Member- \$75.00

Saturday Parent/Child:

Aug. 6th, 13th, 20th, 27th at 9am

Sept. 3rd, 10th, 17th, 24th at 9am

Oct. 8th, 15th, 22nd, 29th at 9am

Members-\$30.00

Non-Members-\$40.00

The levels for swim lessons are broken into two groups: **Swim Basics** and **Swim Strokes**. When choosing the proper level for your child take into consideration our swim test. If your child has passed the YELLOW swim test (which involves jumping in, treading water for 10 seconds, then swimming 15yards) or the equivalent, he/she would qualify for the Swim Strokes level. Participants who are not able to pass the test would be considered Swim Basics.

Ages: Parent/Child:6months-3yrs • Swim Basics/Swim Strokes:3yrs-15yrs • Adult:13yrs+

In situations where ages for levels overlap, parent or participant may choose which level they prefer.

Spaces are limited. To register, visit www.andersonareaymca.org, or stop by our Front Desk.

*****Due to high demand for swim lessons, we can not offer makeups or refunds to individual participants for missed sessions. No refunds for lessons will be given after the late fee date for each session.**

Questions? Reach out to madisonw@andersonareaymca.org.

SWIM BASICS

Level 1: Water Acclimation

This stage increases the students comfort with underwater exploration and introduces basic self-rescue skills. Students will focus on:

- *Exploring the aquatic environment and personal skills with instructor help
- *Develop basic skills to propel and glide through the water with instructor help
- *Learn basic aquatic safety and accept some of the responsibility for safe practices

Level 2: Water Movement

This stage focuses on forward movement in the water and basic self-rescue skills performed independently. Students will focus on:

- *Exploring the aquatic environment and personal skills without instructor help
- *Develop basic skills to propel and glide through the water without instructor help
- *Learn basic aquatic safety and accept some of the responsibility for safe practices

Level 3: Water Stamina

This stage develops intermediate self-rescue skills performed at longer distances. Students will focus on:

- *Integrating arm action, leg action, and rhythmic breathing in back and front glides.
- *Developing forward movement on front and back.
- *Practice skills and safety techniques in deep water.

SWIM STROKES

Level 4: Stroke Introduction

This stage introduces front crawl and back crawl and reinforces water safety through treading water and elementary backstroke. Students will focus on:

- *Developing the front and back crawl.
- *Introducing components of breaststroke and butterfly.
- *Practicing safety techniques in deep water.

Level 5: Stroke Development

This stage introduces breaststroke and butterfly and reinforces water safety through treading water and side stroke. Students will focus on:

- *Developing stamina in the front crawl and back crawl.
- *Developing the breaststroke and butterfly.
- *Building endurance techniques for deep water safety.

Level 6: Stroke Mechanics

This stage refines stroke technique on all major competitive strokes and encourages swimming as part of a healthy lifestyle. Students will focus on:

- *Developing endurance in the competitive strokes.
- *Developing skills related to competitive swimming like flip turns.

PARENT CHILD

Level A: Water Discovery

This stage introduces infants and toddlers to the aquatic environment. This class will focus on:

- *Encouraging parents to set developmentally appropriate expectations for infants and toddlers.
- *Introducing and emphasizing basic water safety to parents and providing a positive experience.

Level B: Water Exploration

This stage children focus on body position, blowing bubbles and fundamental safety. This class will focus on:

- *Encouraging children to move purposefully in the water in response to visual and verbal cues using toys and flotation devices.
- *Emphasizing basic aquatic safety to parents.
